There are 20 temporary buildings in the Liberal Area Public Schools, but a total of 30 classrooms. They are also called portables.

Some in the community believe that is a problem that needs to be fixed, and candidates in the race for three seats on the USD 480 Board of Education gave their thoughts on the security and hearing conditions of these buildings in one of the questions asked at Monday's forum at the Rock Island Depot.

Contrary to others, candidates Tommy Williams did say there can be advantages to having students in the Liberal Area Public Schools in modernized buildings.

"Kids do good in that atmosphere, but it's a little tough to get them out of the main classroom or they can have other things and be able to think a little

Improvised drum roll

Liberal High School drum line students play a cadence on the Liberal Area Public Schools for students at Rock Island Elementary School early this morning. The drum line was playing to get ready to be energized for Kismet Public Assessment testing which starts around the Liberal Area Public Schools. The LAPS students taught the elementary children a lesson in resourcefulness when a drum collection made them unable to perform the pre-pre-pre-pre activity but and the drum line was used as a substitute.
