There are 19 temporary buildings at the Liberal school district which the district has determined are not safe and unsanitary. They are also called portables.

Some in the community believe that is a problem that needs to be fixed, and candidates in the race for three seats on the Liberal USD 489 Board of Education gave their thoughts on the security and sanitary conditions of these buildings in one of the forums held at Monday's forum at the Rock School Depot.

Continue to rebuttal, candidates Tammy Williams did say there are

for advantages to having students in the District transitioned to buildings.

"Kids do good in that atmosphere," she said. "Students get more out of the main classroom so they can learn other things and be able to thrive a little

Improvised drum roll

Liberal High School senior Eric Gutierrez, left, and Jonathan Ortiz shoot basketballs for students at Liberal Missionary School early this morning. The drum set, which they put together, is weighted for stability. Equipment testing which starts across the hall from the rack. The LHS students taught the Missionary School children a lesson in resourcefulness when the collection ends then unable to shoot hoops, they gear up on activity box and the drum set as a substitute. Canton Lake Association announces public meeting

Oklahoma Ex Inexpensible Water PIPELINE ready to help

By Staff Report

CANTON, Okla. - The Canton Lake Association (CLA) announced it will host a public meeting at 6:30 p.m. Tuesday, March 19, at the Canton Elementary School Gym. Complete in Canton, Interested persons are invited to attend the meeting to discuss possible solutions to preserve Canton Lake water levels, recreation and restores Oklahoma streams and groundwater.

Canton Lake Association President corresponded Canton Lake's present condition. Tom Adams of CLA board member said, "Our intent for the purpose of the meeting is to let the rest of northwest Oklahoma citizens were left out of the process in the lakes current plan to pump water from Canton Lake to state water project - both which could be proprietary. When combined, these two projects will drain water from Canton Lake and finally be sucked dry.

These boats sit dry in a marina at Canton Lake in northwest Oklahoma as water forced from Canton Lake into Oklahoma City's Lake Hefner. The Canton Lake Association (CLA) announced it will host a public meeting, scheduled for 6:30 p.m. Tuesday, March 19, at the Canton Elementary School Gym. Complete in Canton, Interested persons are invited to attend the meeting to discuss possible solutions to preserve Canton Lake water levels, recreation and restores Oklahoma streams and groundwater.
