

## County announces 'Immunize Win a Prize' winner

Friday, 05 April 2013 09:22

---

Once again an Immunize Win a Prize Winner has been chosen by the Kansas Department of Health and Environment for the Seward County Health Department. This is a reward program offered through KDHE for incentive to get parents to immunize their children in a timely manner. The prize is \$200 towards a utility bill of winner's choice. Our winner, drawn by the KDHE for 2013, is Dayanara Torres, 1, here with her mother and father and sisters.
