

Children gather around children's librarian Casandra Norin Tuesday at Liberal's Memorial Library to read and celebrate the 50th birthday of Amelia Bedelia this year. The book reading consisted of the new Amelia Bedelia, which is a little girl instead of a maid. Norin noted that the new Amelia is easier for the children to relate to, "It's back to school time, so we are doing the new Amelia Bedelia. The goal is to have fun, and It's kind of the last fun of the summer."
