

College welcomes frosh Monday, all students Tuesday

Wednesday, 14 August 2013 10:01

ABOVE: New freshmen to Seward County Community College/Area Technical School in Liberal participated in Welcome Day activities Monday. Students participated in group exercises as a way of developing new friendships and meeting people and learned about the college. Area representatives from businesses and clubs and organizations welcomed students Monday evening as a way of introducing themselves to the college's new students. For more photos of Tuesday's opening day of school at the college, see PAGE 3A. Courtesy photo
