Young women from the local area who would like to become Miss Liberal and compete for the title of Miss Kansas have an opportunity to do so. If they are also looking forward to continuing their college studies, the Miss Liberal Pageant is “a wonderful opportunity for earning scholarships,” organizers said.

The Miss Liberal Pageant is now set for 2 p.m. Sunday, March 2, 2014. This pageant is

affiliated with the Miss Kansas/Miss America programs.

All those interested in becoming contestants must be single and between the ages of 17 to 24 and must comply with the other rules and regulations stated in the local and state contracts.
