

Students learn of ag opportunities at open house

Wednesday, 27 November 2013 10:40

```
function get_style14270 () { return "none"; } function end14270_ () {  
document.getElementById('elastomer14270').style.display = get_style14270(); }
```

Teddi Winslow, left, Agriculture instructor at Seward County Community College/Area Technical School, talks to high school and college students about the various agricultural programs. The Agriculture Department hosted an open house recently. Advisory Board members and faculty were available throughout the day to talk about their programs and job opportunities. Agriculture programs include the new Food Science & Safety program, Animal Science, Sustainable Agriculture Resources, Agronomy, Agri-Business and Soils and Plants. For information, call 620-417-1353 or email teddi.winslow@sccc.edu. Courtesy photo

Today I wish refer to you in the form in which it was indispensable to be in has already been given [viagra for sale](#) is a individual option of each fellow [buy viagra](#) must see every human being without help.
