Foss Ford's General Sales Manager Dave Hinkle hands the keys of the Ford Focus to Keeley Moree Monday. She won the car Saturday evening after the Leader & Times 2013 Christmas Parade. The Leader & Times has been giving away a car at its annual Christmas Parade since it started giving away cars at the event 13 years ago when the paper was the Southwest Daily Times. The first car given away was a 1968 restored Cadillac convertible, and Evelyn Whitely won it at the Dec. 6, 2001, Christmas Parade. L&T photo/Larry Phillips
