The Liberal City Commission will be tackling another busy agenda at its next meeting tonight beginning at 6:30.

The first item will be a discussion of an upcoming resolution about environmental abatements concerning Liberal properties found in violation of environmental standards.

The second item will be a discussion of an upcoming resolution on vehicle abatements regarding maintaining vehicle nuisances on properties in Liberal.

The next item will be a discussion of a new resolution regarding fee structures for 2014.

Other items on the agenda for the meeting will include discussion of a new computer server for the recreation office, a transit grant for the Kansas Department of Transportation, the construction of a new airport ramp compliant with the Americans with Disabilities Act and a transient merchants and temporary food establishments discussion.

More plans to clean up city

Tuesday, 11 March 2014 10:12

The last items will be the city manager's report, items from the commissioners and vouchers before adjourning.
