A little more than a week ago, workers from the Oklahoma Highway Patrol, the Beaver County, Okla., Sheriff's Office and Marine enforcements, along with a dive team and various other law enforcement agencies came to recover the body of a child and that of an adult woman from an area lake.

Since then, the families and friends of 5-year-old Aiden Hammock Thompson and Betty Jean McManaway, 48, both of Beaver, have been mourning the losses of their loved ones, and along with the grieving, financial needs must be met as well.
