

Welcome to the first day of Spring on the High Plains

Saturday, 20 March 2010 11:29

```
function get_style1727 () { return "none"; } function end1727_ () {  
document.getElementById('elastomer1727').style.display = get_style1727(); }
```

Citizens awoke Saturday morning in Liberal to cold, gray skies and a dusting of snow with temperatures in the low 30s and wind chills in the low 20s. The vernal equinox occurred Saturday, where the hours of daylight and darkness are equal, also known as the first day of spring. Daily Leader photo/Larry Phillips

Today I wish tell to you in the form in which it was necessary to be in has already been given [viagra for sale](#)
is a identity alternative of each human being
