Erika Pacheco, the 2010 Cinco de Mayo Queen, presents the parents of the Cinco de Mayo baby with a gift card and gifts. Isaac Gabriel Rodriguez was born at Southwest Medical Center at 12:05 p.m. on May 5, weighing 9 pounds, 9 ounces, and 21 inches tall. His parents are Luis and Monica Rodriguez, of Hugoton. Isaac is their first child. "We just find this a fun part of Cinco de Mayo and something we've done for about three years now," said Pacheco, "And to have Isaac actually born on May 5 makes him very special to us."
