

L&T staff report

The 12-year-old Cimarron River Rattlers finished tied with the highest finish ever for a Cimarron River team by taking second at the Midwest Regional in Alliance, Neb.

The Rattlers dropped the championship game to Missouri, 13-3.

The Rattlers reached the championship without a loss by sweeping the pool and knocking off La Junta, Colo., in the semi-finals, 3-0.

But the Missouri batters were able to break through, and the Rattler run came to an end.
