Miss Liberal Kennedy Connor joins an expanded group of Saintsations, the dance team for Seward County. The group has been expanded this season and is under the direction of Scarlette Diseker. Along with the larger dance team is an expanded spirit squad. Both were on display at the Bookstore Benefit Night last week, and the displays should help bring the Saints fans to their feet this season. The group performs separate routines but combines for a showcase event as well. The Saints Spirit Squad and the Saintsations will both perform this weekend during the Pepsi Classic.
