**Booster Club announces 'Showdown' contestants**  
The Booster Club of Wilson Park is looking for contestants for its annual 'Showdown' event. The event is a friendly competition between two teams of players. The event is held at Wilson Park and is open to all ages. The event is a great way to spend time with friends and family. The event is also a great way to raise money for the Booster Club. The event is held on Saturday, March 16, at 10:00 a.m. The event is free and open to all. For more information, contact the Booster Club at 451-4530-4545.

**Did candidate Jack Carfile pay to be liked on Facebook?**  
A candidate for the U.S. House of Representatives is accused of paying to be liked on Facebook. Jack Carfile, a Republican candidate for the U.S. House of Representatives in the 2012 election, is accused of paying a company to post positive comments on his Facebook page. The company, known as 'Like4Like', is a social media marketing company that provides services to politicians and other public figures. Carfile's Facebook page has over 100,000 likes, and the company claims to have posted over 10,000 positive comments on the page. The company's website states that it provides services to politicians and other public figures, and that it can help them to increase their social media presence. The company's website also states that it can help them to identify and reach their target audience. The company's website also states that it can help them to track and analyze their social media performance. The company's website also states that it can help them to create and manage their social media content. The company's website also states that it can help them to engage with their audience and build relationships. The company's website also states that it can help them to increase their social media reach and visibility. The company's website also states that it can help them to improve their social media ROI. The company's website also states that it can help them to stay on top of the latest social media trends and best practices. The company's website also states that it can help them to optimize their social media strategy for maximum results. The company's website also states that it can help them to achieve their social media goals and objectives. The company's website also states that it can help them to build a strong and loyal social media following. The company's website also states that it can help them to establish a strong and positive online reputation. The company's website also states that it can help them to become a social media influencer and thought leader. The company's website also states that it can help them to increase their social media authority and credibility. The company's website also states that it can help them to become a social media expert and authority in their field. The company's website also states that it can help them to become a social media success story and role model for others. The company's website also states that it can help them to achieve their social media dreams and aspirations. The company's website also states that it can help them to live a more successful and fulfilling life through social media. The company's website also states that it can help them to become a social media legend and inspiration for others.

**Spring, garden planting news**  
It's almost spring and many people are looking for ways to get their gardens ready for the season. One of the best ways to do this is by planting new plants and flowers. There are many different types of plants and flowers to choose from, and it's important to choose the right ones for your climate and soil. It's also important to choose plants that are easy to care for and that will thrive in your garden.
