### Mayor Long may be moving to OKC

Principals in next week's meeting  
prince

Mayor Long may be moving to Oklahoma City, Oklahoma, according to reports. The mayor is expected to meet with city officials in the next week to discuss the possibility of moving his office to the state capital. The move is seen as a significant step in Long's efforts to revitalize the city and attract investment.

'Mars Curiosity' Robotics Lab ready for launch

The 'Mars Curiosity' Robotics Lab is set to launch in the next few weeks. The lab will provide a hands-on learning experience for students, allowing them to explore the challenges of space exploration and robotics. The lab is a collaboration between the University of Kansas and the Mars Science Laboratory mission.

### DINOSAURS INVADING LIBERAL

Adrian's museum that attracts politicians  
is returning to Kansas and will be open at the  
State House in Manhattan

A museum dedicated to dinosaurs is set to open in Manhattan, Kansas. The museum, known as Adrian's Museum, is a unique attraction that features a collection of dinosaur fossils and artifacts. The museum is a popular destination for politicians and visitors alike, and its return to Kansas is seen as a significant cultural and educational achievement.
