Sale sets to benefit Ruby for Life
The Ruby for Life sale is set to benefit the Ruby for Life Foundation, which is dedicated to raising awareness and funds for the prevention and treatment of breast cancer. The sale will run from March 15 to 17, 2013, and will feature a variety of items, including clothing, accessories, and home goods. Proceeds from the sale will go to the Ruby for Life Foundation, which is a 501(c)(3) nonprofit organization. For more information, visit www.rubyforlife.com.

Mayor Long may be moving to OKC

Pratt's 11th city council meeting on Tuesday will be the last for Mayor Long as he prepares to move to Oklahoma City. Long, who has served as mayor since 2007, is set to leave office on March 20. He is expected to be replaced by...

Ch - Ch - Ch - Chia

Students at the Pratt Middle School are participating in a 'Chia Challenge' where they are encouraged to eat chia seeds. Chia seeds are a healthy food source that is rich in fiber and omega-3 fatty acids. The school is providing information on the benefits of chia seeds and how to incorporate them into their diet.

Mars Curiosity Robotics Lab ready for launch

The Mars Curiosity Robotics Lab is set to launch on March 15, 2013. The lab is a partnership between Pratt High School and the University of Oklahoma. The lab will provide students with hands-on experience in robotics and space exploration. The lab is currently accepting applications for students interested in pursuing a career in robotics or space exploration.
