Liberal Wrestling Club celebrating 20 years

**Liberal Wrestling Club celebrating 20 years**

By KIMBERLY WELLS  
 Liberal, Kan. — The Liberal Wrestling Club is celebrating its 20th anniversary on Saturday, March 30, at the Liberal High School gymnasium. The club was founded in 1993 by Coach Tommie Smith and has since grown to become one of the premier wrestling clubs in the state. The club has produced several state champions and has a strong following of fans. The celebration will feature a wrestling match, a presentation of awards, and a special dinner. Tickets are available for purchase at the door.

Monica makes it

**Monica makes it**

By KIMBERLY WELLS  
 Liberal, Kan. — Monica Smith, a Liberal High School senior, has been named the 2013 National Student Leader. She was selected from a pool of over 100 students from schools across the country. Monica is a member of the National Student Leadership Conference and has been active in her school's community service projects. She will represent Liberal High School at the national conference in Washington, D.C. in May.

 Teaching coaches make regular trips to Liberal

By KIMBERLY WELLS  
 Liberal, Kan. — The Liberal School District is proud to have a team of teaching coaches who provide support and guidance to teachers in the classroom. The coaches, who are trained in various teaching strategies and classroom management techniques, make regular trips to the schools to observe lessons and provide feedback. This program has been instrumental in improving student achievement and teacher effectiveness. The district is committed to providing the best possible education for all students.

 Renewed nuclear physical lectures on nuclear weapons at West Point

By KIMBERLY WELLS  
 Liberal, Kan. — The West Point Academy is offering a series of lectures on the history of nuclear weapons. The lectures, which are part of the Academy's ongoing commitment to education and research, will provide an in-depth look at the development of nuclear weapons and their impact on the world. The lectures will be held at the Academy's main campus in West Point, N.Y. The Academy is a leading institution for the study of nuclear energy and its applications.
