Liberal man dies in 1-vehicle roll-over

By Staff Writer
 A 48-year-old liberal man died in a one-vehicle roll-over crash on Thursday morning in the north end of the city. The crash occurred on Highway 101, just north of the intersection with Highway 102. The driver, identified as a 48-year-old man, was driving southbound on Highway 101. The vehicle rolled over onto its side and caught fire. The driver was pronounced dead at the scene. The cause of the crash is still under investigation.

Small plane crash near Guyton kills 2

By Staff Writer
 Two people were killed and one injured in a small plane crash near Guyton on Thursday. The plane, a Cessna 441, was flying at a low altitude when it struck a power line. The crash occurred near the intersection of Highway 101 and Highway 102. The pilot and one passenger were killed, and another passenger was injured. The cause of the crash is still under investigation.

NASA astronaut presents lecture

By Staff Writer
 A NASA astronaut presented a lecture to a group of students at the University of North Carolina on Thursday. The astronaut, who has spent time in space, shared his experiences and insights into life in outer space. The lecture was part of a series of events organized by the university to celebrate the anniversary of the Apollo 11 mission.

Sign ups for Summer Drivers Ed classes from being dropped

By Staff Writer
 Sign-ups for Summer Drivers Ed classes are still open, despite reports that they might be dropped. The classes are being held at various locations throughout the region. Students interested in taking the classes should contact their local driving school or the Department of Transportation for more information.

Students learn dangers of distracted driving include death

By Staff Writer
 Students at a local school are learning the dangers of distracted driving through a series of interactive activities. The activities include role-playing scenarios, watching videos, and participating in discussions. The goal is to raise awareness of the risks of distracted driving and encourage students to stay focused while driving.

Recreation Dept. to offer Zumba fitness class

By Staff Writer
 The Recreation Department is offering a Zumba fitness class starting on Thursday. The class is designed for people of all fitness levels and combines dance and cardiovascular exercise. It will be held at the community center. For more information, contact the Recreation Department.
