Planting tips, when real spring arrives

Deepen your garden's enjoyment in the early spring by planting a variety of plants and flowers. The best time to plant is when the soil is warm and the weather is mild. This is the best time to plant most flowers and shrubs. The best time to plant most flowers and shrubs is in the early spring. The best time to plant most flowers and shrubs is in the early spring.

### Garden City school district community approach differs from that of Liberal

By [Name] Staff Writer  
Garden City school district officials say their approach to budgeting is different from that of Liberal. The district is currently reviewing its budget for the upcoming year and is looking for ways to reduce costs without sacrificing the quality of education. The district is currently reviewing its budget for the upcoming year and is looking for ways to reduce costs without sacrificing the quality of education.
