State explains increased employment numbers

The state's economy is showing signs of recovery, with employment numbers increasing in several key sectors. The state's unemployment rate has decreased from 10.5% in 2010 to 8.5% in 2012. This is a significant improvement and indicates that the state's economy is on a positive trajectory. The increase in employment is primarily due to growth in the manufacturing and services sectors. The state's government is also investing in infrastructure and education, which will further stimulate economic growth.

School district hosting kindergarten round-up Tuesday

The School District is hosting a kindergarten round-up on Tuesday, May 7, from 9 a.m. to 12 p.m. at the Student Center. The round-up is for children who are entering kindergarten in the fall. Parents and guardians are invited to bring their children to the round-up. The district will provide information on enrollment, registration, and other important details. The round-up is a great opportunity for parents to meet with school officials and get their children ready for the upcoming school year.
