National magazine ranks LHS 7th top school in Kansas, in top 10% of nation

SUCCESS RATES
 The success rate for AP courses at Liberal High School has increased significantly over the past few years, according to a report from the U.S. Department of Education. The report shows that LHS has a success rate of 85 percent for AP courses, which is higher than the national average of 75 percent. This success is attributed to the school's rigorous curriculum and the dedication of its teachers and students.
