National magazine ranks LHS 7th top school in Kansas, in top 10% of nation

SCHOOL CLOSING
 The Board of Education has approved the closing of the Baker Arts Center High School building. The building will be demolished and the site will be redeveloped. The new building will be located on the corner of 10th and Main streets. The new building will be a modern, state-of-the-art facility that will provide a better learning environment for our students. The new building will be completed in the fall of 2013. The current building will be used as a temporary facility until the new building is completed.

Baker Arts Center announces new director
 The Baker Arts Center has announced the appointment of a new director. The new director will be responsible for the day-to-day operations of the center and will report to the Board of Directors. The new director will be a highly qualified professional with a strong background in the arts and education. The new director will be starting their position in the fall of 2013.

Success rate grows as AP courses increase
 The success rate for students taking AP courses has increased significantly over the past few years. This is due to a variety of factors, including increased student motivation, improved teaching methods, and increased resources. The success rate for AP courses is now higher than ever before, and this is a testament to the hard work and dedication of our students and teachers.

Local Girl Scouts compete in international robotics competition
 A team of Girl Scouts from Liberal, KS, recently competed in an international robotics competition. The team was one of the top performers and won several awards. This is a great achievement for the team and a testament to the hard work and dedication of the girls. The competition was held in a large arena and was attended by thousands of people. The girls were very proud to represent their school and their community.

DINOSAURS INVADING LIBERAL
 A group of students from Liberal, KS, recently participated in a dinosaur-themed event. The event was held at the local library and was a great success. The students learned a lot about dinosaurs and had a lot of fun. The event was a great way to engage the community and promote learning. The students were very excited and enjoyed the event very much.
