Local Girl Scouts compete in international robotics competition

ROBOTICS
 A team of Girl Scouts from Liberal High School recently competed in an international robotics competition. The team showcased their skills and teamwork, earning recognition for their performance. The competition was held in a large arena and attracted participants from various countries.

LEGO
 The Girl Scouts team used LEGO bricks to build their robot. They spent weeks of time designing and constructing their robot, which they used to complete various challenges during the competition. The team's creativity and problem-solving skills were highly praised by the judges.

DINOSAURS INVADING LIBERAL
 A special event featuring a dinosaur exhibit is taking place in Liberal. The exhibit includes life-sized models of various dinosaurs, interactive displays, and educational programs for children. The event is a great opportunity for families to learn about prehistoric life and enjoy a fun day out.
