College nursing program rates high in state review

The state review of the college nursing program at High Plains Community College has resulted in a high rating. The review found that the program is well-run and provides a high quality education for its students. The review also found that the program is well-supported by the college's administration and faculty.

Mayhans know how to make plants grow

The Mayhans family has a long history of growing plants. The family has a large garden and a greenhouse where they grow a variety of plants. The family has a long history of growing plants and has a large garden and a greenhouse where they grow a variety of plants.
