SW Guidance Center director talks about state's new mental health plan

By ROBERT FRANK

It's a big day for the state's mental health system. The new plan, which was approved by the state legislature in March, will be implemented by the end of the year. The plan is a landmark achievement for the state's mental health system, and it's a testament to the hard work of the state's mental health professionals.

The plan is a landmark achievement for the state's mental health system, and it's a testament to the hard work of the state's mental health professionals.

Grain truck swerves to miss camper

By ROBERT FRANK

A grain truck swerved to miss a camper on a highway in North Carolina. The driver of the truck, who was traveling at a high speed, saw the camper in his path and swerved to the right to avoid it. The camper was unharmed, and the truck driver was not injured.
