SW Guidance Center director talks about state's new mental health plan

By KIMBERLY HARRIS
The new plan, which is the product of a year-long effort by the state's mental health providers, is expected to be implemented in the fall of 2013. The plan is a result of a year-long effort by the state's mental health providers, which is expected to be implemented in the fall of 2013.

Grain truck swerves to miss camper

By KIMBERLY HARRIS
A grain truck swerved to miss a camper on a road in the western part of the county on Tuesday. The truck was traveling north on the road when it swerved to the right to avoid the camper.

Demographer gives school board data on what lies ahead

The demographer's report shows that the district is expected to experience significant growth in the coming years. The report includes data on population trends, birth rates, and migration patterns. The district is expected to see an increase in the number of students, particularly in the elementary and middle school grades.
