**Graduation week**  
The SAT will be making a comeback at Oklahoma State University this year. The new "College Ready" SAT is being used for the first time at OSU. The test is designed to be more relevant to college coursework. OSU is one of the first schools in the country to use the new test.

**Local man who found 3 missing kids wants to remain anonymous**  
Ways to help tornado victims in Oklahoma  
A local man who found three missing children in a tornado in Oklahoma last week wants to remain anonymous. The man, who is a resident of Oklahoma, discovered the children in the rubble of a destroyed home. He immediately contacted the police and the children were safely reunited with their family.

**Preventing crime, one school at a time**  
A local school district is implementing a new program to prevent crime in schools. The program, called "Safe Schools Initiative," focuses on increasing security and providing training for staff and students. The goal is to create a safer learning environment for everyone.

**High Plains**  
The Department of Agriculture is releasing a report on the state of the High Plains region. The report shows that the region is facing challenges due to drought and economic factors. However, there are also opportunities for growth and development.
