College offers numerous energy industry safety training courses

Seward County Community College/Area Technical School partners with the Energy Training Council to offer training for individuals working in energy industry roles.
Training topics include Bloodborne Pathogens, Confined Space Awareness, Electrical Safety, Environmental Awareness, Fall Protection, Fire Safety, Flagger Certification, Hazard Communication, Hot Tap, Lockout/Tagout, Personal Protective Equipment, Slip, Trip and Fall, and Substance Abuse. In addition, the Business and Industry office offers eight-hour forklift training, four-hour H2S training, eight-hour Safety Orientation, 10-hour OSHA 10 (MSD, CPM, & Print Mat), 10-hour OSHA Construction Outreach Training Program, 30-hour OSHA Construction Outreach Training Program and eight-hour Skillsaw/ USA training.
To find out more about these courses or to schedule training for your business, call 620-417-1170 or email joyfields@sccc.edu.

Businesses invited to share info with new teachers

Seward County Chamber of Commerce New Teacher Information Fair from 3:30 to 7 p.m. Tuesday, Aug. 6, in the Cottonwood Commons Area.
The fair will allow community businesses to share information about their services with approximately 100 new teachers.
Everyone is invited to participate in this information fair for new teachers to USD 480. Participating businesses will be provided a table to meet with new teachers and share their information. To participate in the fair, complete this easy, one-page, registration form.
For more information, contact Lora Sroka at 604-2405 or lsroka@sewardcountychamber.com or Adrienne Chittenden at 604-2326 or adrienne.hudspeth@usd480.net.

TUESDAY, AUG. 6

County seeking to fill advisory boards
