Local church to open day-care center

St. John's Episcopal Church is planning to open a day-care center for children ages 2 to 5 in the fall. The church is currently in the process of raising funds for the new facility, which will be located on the church grounds. The center will provide a safe and nurturing environment for young children, and will be staffed by trained professionals. The church is currently accepting donations and pledges for the new center.

Fighting for the belt

A young girl is competing for a championship belt in a martial arts tournament. She has trained hard for the competition and is determined to win. Her coach and family are supporting her every step of the way. The tournament is a prestigious event and she is proud to represent her school and community.
