**Margaret Pellegrini, one of last surviving Munchkins, dies**  
Salem-based star of 'The Wizard of Oz' is 100 years old

**Rear-end collision injures 7-year-old boy**  
Police say a 7-year-old boy was injured in a rear-end collision on Tuesday afternoon in the 1000 block of South 10th Street, near the intersection of South 10th and South 11th Streets. The boy was taken to the hospital with a head injury. The driver of the car that rear-ended the boy's car was arrested on charges of driving under the influence of alcohol.

**Margaret Pellegrini will be missed by her fans in Liberal**  
Margaret Pellegrini, one of the last surviving Munchkins from the 1939 film 'The Wizard of Oz', died on Tuesday at the age of 100. She was born in Salem, Oregon, and moved to Liberal, Kansas, in 1948. She was a beloved member of the Liberal community and was known for her friendly personality and her role in the film. Her death was a significant loss to the town, and she will be missed by her fans.

**Dr. Julio Jimenez leaving Liberal, moving because of opportunities**  
Dr. Julio Jimenez, a local physician, is leaving Liberal, Kansas, to pursue new opportunities. He has been practicing medicine in Liberal for several years and has been a valued member of the community. He is moving to a larger city to take on a new challenge and to provide his services to a larger population. He will be missed by his patients and the community.
