Pot growing trial: DAY 2
Witness reveals location of drug source in corn field

By KERRY BICE
Special to the Journal-World

Two men found growing marijuana plants in a corn field in the southwest corner of the 100-acre farm owned by the late Dr. Robert H. Smith, a witness in a federal court trial Tuesday said.

The witness, a former associate of the late Dr. Smith, testified that he saw the plants in the field in the summer of 2011. He said the plants were growing in a field that was used for corn. The witness said he saw the plants in a field that was used for corn. The witness said he saw the plants in a field that was used for corn.
