Citizens pull victims out of window

5 DEAD

With flames erupting from the roof above them, firefighters tried to rescue a woman who was trapped in a window of a house that exploded in a fire in the early morning hours of Tuesday. The woman was pulled out of the window by firefighters and taken to a hospital where she was pronounced dead. The fire started in the kitchen and spread quickly, forcing the woman to jump out of the window. The fire destroyed the house and caused significant damage to the neighborhood.

SHARKS, COPIERS AND TAXES OH MY!

City Commission Discusses Shark Fin Trade

The city commission discussed the shark fin trade and its impact on the local economy. The commission members expressed concern over the decline in shark populations and the potential impact on the fishing industry. They discussed ways to regulate the trade and protect the environment.

Federal cuts cost Kansas preschool spots

The state of Kansas is facing a significant reduction in preschool spots due to federal budget cuts. This has caused concern among parents and educators who are worried about the quality of early childhood education for young children. The state is looking for ways to offset these cuts and ensure that all children have access to quality preschool programs.

General Welch to be guest for MAAM's 25th Anniversary event

General Welch will be the guest of honor at the 25th anniversary event for the MAAM (Missouri Air and Army Museum). The event will celebrate the museum's long history and its commitment to preserving military history. General Welch's presence will be a highlight of the celebration.

Greeson sentencing rescheduled

The sentencing for Greeson has been rescheduled due to legal issues. The court has set a new date for the proceedings, and the public will be kept updated on any further developments.
