Judge: Oklahoma can sue government for Obamacare

Change: Two
 A federal judge on the state of Oklahoma has ruled that the state can sue the federal government to stop the implementation of the Affordable Care Act (ACA), also known as Obamacare. The judge, Judge David B. Senturia, ruled in favor of the state's lawsuit, which was filed in federal court in Tulsa. The ruling is a significant victory for the state's conservative lawmakers, who have long opposed the ACA. The judge's decision is based on the fact that the ACA was implemented without the state's consent, and that the federal government has the authority to sue the state. The ruling is expected to lead to a full trial on the merits of the case.
