TALES
County tax on utilities?
By David Miles
A change in utility law may mean that the state will be able to charge more for the services that power homes. How much? That's the question. The new law, which takes effect in 2014, will allow the state to charge more for the services that power homes. How much? That's the question. The new law, which takes effect in 2014, will allow the state to charge more for the services that power homes. How much? That's the question.
