**'English only' applies to employees at health dept.**  
In CLARK COUNTY  
Clark County Health Department employees are required to speak English at work, according to a new policy. The health department announced the policy on Oct. 3, 2013. The policy states that employees must be able to communicate with the public in English. The policy also states that employees must be able to communicate with each other in English. The policy is part of the department's efforts to improve customer service and ensure that all employees are able to provide the highest quality of care to the community.

**Reno Co. seeks to try teen as adult in fire case**  
The Reno County Board of Supervisors is considering whether to try a 17-year-old boy as an adult in a case involving a fire that destroyed a home in Reno County. The fire occurred on Oct. 1, 2013, and resulted in the death of a woman and the destruction of a home. The boy, who is currently in custody, is charged with first-degree murder and arson. The board is scheduled to meet on Oct. 10, 2013, to discuss the case.

**Gov't reimburses man for 'mutt-lated' currency**  
A man who lost his money in a scam involving a dog named "Mutt-lated" has been reimbursed by the government. The man, who is a resident of Reno County, lost his money in a scam that involved a dog named "Mutt-lated". The scam was run by a man who claimed to be a representative of the government and offered the man a large sum of money in exchange for the dog. The man agreed to the deal, but the scammer disappeared with the money. The government eventually reimbursed the man for his loss.
