Lawyers seek dismissal of Kansas murder charge
A Kansas man's lawyers are seeking the dismissal of a murder charge against him. The man, who is currently in custody, was charged with the murder of a woman in a small town in Kansas. The lawyers argue that the evidence against their client is circumstantial and that the state has not met its burden of proof.

Maybe Nov. 30 before healthcare.gov is fixed
The Obama administration says it may not be able to launch the new health care website, healthcare.gov, until after Nov. 30. The website is intended to allow Americans to compare health insurance plans and purchase them online. The administration is currently testing the website and has identified several bugs that need to be fixed before it can be launched.

Kan. woman dies after vehicle stalls on interstate
A Kansas woman died after her vehicle stalled on Interstate 70. The woman, who was driving alone, was found by a passerby who called 911. The police found the woman's body in the back seat of the vehicle. The cause of the death is still under investigation.

Food stamps, milk prices on table in farm talks
Farmers and food processors are meeting to discuss issues related to food stamps and milk prices. The meeting is being held in a small town in Kansas and is attended by representatives from both sides. The farmers are concerned about the impact of food stamps on the market, while the processors are concerned about the impact of milk prices on their business.
