**Lawyers seek dismissal of Kansas murder charge**  
A KANSAS man accused of murdering a woman in a parking garage in 2007 is seeking to have his murder charge dismissed. The man, who is currently in custody, is being held in the Independence Correctional Center. His lawyers are arguing that the state's evidence is insufficient to prove his guilt beyond a reasonable doubt.

**Maybe Nov. 30 before healthcare.gov is fixed**  
The Obama administration says it may not be able to launch the new health care website, healthcare.gov, until after Nov. 30. The website is intended to allow consumers to compare and purchase health insurance plans. The administration is currently testing the site and has identified several bugs that need to be fixed before the launch.

**Kan. woman dies after vehicle stalls on interstate**  
A KANSAS woman died after her vehicle stalled on Interstate 70. The woman was driving northbound on the interstate when her car stalled in the middle of the road. She was alone in the car and was unable to get out. A passerby noticed the car and called 911. The woman was pronounced dead at the scene.

**Food stamps, milk prices on table in farm talks**  
Farmers and food processors are meeting to discuss issues related to food stamps and milk prices. The meeting is being held in Kansas and is expected to be a productive one. The issues are of great concern to both groups and the meeting is expected to result in some agreements.
