Lawyers seek dismissal of Kansas murder charge
A KANSAS man accused of murdering a woman in a parking garage in 2007 is seeking to have the charge dismissed. The man, who is now 34, is charged with the murder of a woman who was found dead in a parking garage in 2007. The man's lawyers are seeking to have the charge dismissed because the state's evidence is weak.

Maybe Nov. 30 before healthcare.gov is fixed
The Obama administration says it may not be able to launch the new health care website, healthcare.gov, until after Nov. 30. The website is supposed to be the central hub for the health care reform program. The administration is currently testing the website and has found several problems. The website is expected to be launched in late 2013.

Kan. woman dies after vehicle stalls on interstate
A KANSAS woman died after her vehicle stalled on Interstate 70 in Independence, Kan., on Monday. The woman, who was 45, was driving her car when it stalled on the interstate. She was found by a passerby and taken to a hospital, where she died. The cause of the death is still under investigation.

Food stamps, milk prices on table in farm talks
Farmers and food processors are expected to discuss food stamps and milk prices during a meeting in Kansas. The meeting is part of a series of discussions between the two groups. The farmers are concerned about the impact of food stamps on the market, and the processors are concerned about the impact of milk prices on their business.
