**Illini grad talks to students from space station**  
ILLINOIS, (AP) — A former astronaut who spent 28 days in space last year is talking to students from the University of Illinois at Urbana-Champaign about his experience. The former astronaut, Gregory B. Bressi, is a graduate of the university and is currently a professor of aerospace engineering. He is also a member of the university's space station program. Bressi is scheduled to speak to students on Oct. 31.

**Schodorf announces run for secretary of state**  
SCHAFFERSBURG, Pa. (AP) — Governor Robert Casey announced Wednesday that he is running for secretary of state in the 2014 election. Casey is a member of the Republican Party and is currently serving as the governor of Pennsylvania. He is also a member of the university's space station program. Casey is scheduled to speak to students on Oct. 31.

**Severed finger leads police to Ariz. theft suspect**  
ARIZONA (AP) — A severed finger of a man who was shot in the head last week in a drive-by shooting in Phoenix has led police to a suspect in Arizona. The man, who was identified as a 30-year-old man, was shot in the head on Oct. 27. The police are looking for a suspect who is believed to be in Arizona. The police are also looking for a suspect who is believed to be in Arizona.

**Watch for small creatures flying door to door tonight**  
With the onset of darkness, all of our senses are on high alert. One of the most interesting of these is our sense of sight. We are looking for small creatures flying door to door tonight. These creatures are called moths and are attracted to light. They are flying door to door tonight because they are looking for a place to land. They are also looking for a place to land.
