Illini grad talks to students from space station
ILLINOIS, (AP) — A former astronaut who spent 28 days in space last year is talking to students from the University of Illinois at Urbana-Champaign about his experience. The former astronaut, Gregory B. Bressler, is a 1978 graduate of the school and is currently a professor of aerospace engineering at the university.

Schodorf announces run for secretary of state
SCHAFFER, (AP) — Governor Jay Hotel announced Wednesday that he is running for secretary of state in the 2014 election. Hotel, a Republican, is currently serving as the 41st governor of Missouri. He is running against Democrat Matt Blunt for the position of secretary of state.

Severed finger leads police to Ariz. theft suspect
ARIZONA, (AP) — A severed finger of a man who was shot in the head in a drive-by shooting in Phoenix last week led police to a suspect in Arizona. The man, 34-year-old Robert Lee, was shot on Oct. 27. Police found the severed finger in a trash can near the scene of the shooting.

Watch for small creatures flying door to door tonight
With the onset of darkness, all of our senses are on high alert. One of the most interesting is our sense of sight. On Oct. 31, we will be looking for small creatures flying door to door. These creatures are called moths and are attracted to light. They are flying around in large numbers and are attracted to light. They are flying around in large numbers and are attracted to light.
