County will hear restricting plans of election officials

Believing to meet population growth, shifts

By JENNIFER HARRIS

APPROXIMATELY 100 members of the Seward County Extension Council will meet on Monday, Nov. 4, at the Seward County Courthouse to discuss the proposed changes to the county's election laws. The meeting is open to the public and will be held from 9 a.m. to 11 a.m. in the second floor conference room. The meeting is being held to discuss the proposed changes to the county's election laws, which were approved by the county board in August. The changes include the creation of a new election district and the elimination of the current election district. The changes are necessary to meet the needs of the county's growing population and to ensure that the election process is fair and efficient. The meeting will be held in the second floor conference room of the Seward County Courthouse, located at 303 North Kansas. For more information, contact the Seward County Extension Council at 303-421-4444.
