County will hear restricting plans of election officials

Believing to meet population growth, shifts

By JESSICA HOLT

APPROXIMATELY 100 members of the Seward County Extension Council will meet on Monday to discuss plans for the upcoming election. The meeting is being held at the Seward County Extension Council office, 1000 N. 1st St., in Seward.

County Board Chair and Extension Council member, Dan Hays, said that the meeting is important for the county's future. He said that the council will be discussing plans for the upcoming election, which is scheduled for Tuesday, November 12.

Hays said that the council will be discussing plans for the upcoming election, which is scheduled for Tuesday, November 12. He said that the council will be discussing plans for the upcoming election, which is scheduled for Tuesday, November 12.

Ohio zoo using beagle to detect bear pregnancies

By JESSICA HOLT

CHILTON, Ohio — A beagle named "Bea" is helping to detect pregnancy in bears at the Chillicothe Zoo. The zookeepers use the dog's sense of smell to detect the hormone progesterone in the bear's urine.

Bea is a 2-year-old beagle who has been trained to detect the hormone progesterone in the bear's urine. The zookeepers use the dog's sense of smell to detect the hormone progesterone in the bear's urine.
