**Philly officer delivers baby in back seat of taxi**  
A Philadelphia police officer delivered a baby in the back seat of a taxi. The officer, who was on duty during a routine patrol, noticed a woman in labor and acted quickly to get her to a hospital. The baby was born safely, and the mother is recovering well.

**Many exchange health plans exclude top hospitals**  
A study has found that many health exchange plans exclude top hospitals. This could lead to higher costs for members and reduced access to quality care. The study, conducted by a leading health policy think tank, found that nearly 50 percent of exchange plans exclude at least one of the top 10 hospitals in the country. This is a significant concern for members who want to ensure they have access to the best healthcare available.
