Citizenship law root of Kansas lawsuits
A federal court decision has ruled that the citizenship requirements for naturalization are unconstitutional. The court ruled that the requirements are too strict and that they violate the Equal Protection Clause of the Constitution. The decision is a landmark ruling that could have a significant impact on the naturalization process. The court ruled that the requirements are too strict and that they violate the Equal Protection Clause of the Constitution. The decision is a landmark ruling that could have a significant impact on the naturalization process.

Australians set world record for Christmas lights
A group of Australians has set a world record for the most Christmas lights. The group, from Perth, Australia, has strung over 10 million lights. The lights are strung in a large, circular pattern and are lit up at night. The record is a testament to the group's dedication and hard work. The lights are strung in a large, circular pattern and are lit up at night. The record is a testament to the group's dedication and hard work.

Kan. groups seek repeal of mortgage fee
Several groups in Kansas are seeking the repeal of a mortgage fee. The fee is a small charge that is added to the mortgage. The groups argue that the fee is unfair and that it increases the cost of borrowing. They are asking the state legislature to repeal the fee. The fee is a small charge that is added to the mortgage.
