Headphones, speakers top gift lists

By TOM COLEMAN
 @tccolman

The odds of gifts provided by banks to be the same as those of a Christmas party. The odds of a gift being a pair of headphones or speakers are about 1 in 100. The odds of a gift being a pair of headphones or speakers are about 1 in 100.

Merry Christmas

Christmas of '67

The older I get, the more ordinary Christmas seems. Maybe that's what it means to grow up — the glitter and the suspense of something that was once magical and wild slowly fades. Or maybe it's because no Christmas will ever reach the highs and lows of the one I survived the year I turned 13.

That was the Christmas my dad quit. It was the Christmas my mom had not yet met her second husband. It was the Christmas my first love was still a mystery. It was the Christmas my first job was still a dream. It was the Christmas my first car was still a fantasy. It was the Christmas my first home was still a dream. It was the Christmas my first love was still a mystery. It was the Christmas my first job was still a dream. It was the Christmas my first car was still a fantasy. It was the Christmas my first home was still a dream.
