Justice delays health law's birth control mandate

WASHINGTON — The Supreme Court has once again delayed the implementation of the Affordable Care Act's birth control mandate. The court's decision in *Sebelius v. Hobby Lobby Stores, Inc.* and *Chester v. NARA* allows religious and moral objections to the mandate to be heard in court. The court's decision is a significant victory for religious and moral objections to the mandate. The court's decision is a significant victory for religious and moral objections to the mandate. ObamaCare brings new taxes, fees for 2014

WASHINGTON — The Obama administration has announced that starting in 2014, individuals who do not purchase health insurance through the Affordable Care Act will face new taxes and fees. The new taxes include the individual shared responsibility payment and the employer shared responsibility payment. The new taxes include the individual shared responsibility payment and the employer shared responsibility payment. The new taxes include the individual shared responsibility payment and the employer shared responsibility payment.

For those who don't log coverage, the IRS plans to slap them with a fine

WASHINGTON — The Internal Revenue Service (IRS) has announced that it will begin enforcing the individual shared responsibility payment starting in 2014. The IRS will send notices to individuals who do not have health insurance coverage, informing them of the penalty.
