City manager Mark Hall
insists 'The city has an
obligation to operate a
showing range, which
affords the city the sole
responsibility and
authority to do so,' in
Letter to the Editor.

**Housing unit plans at
Village Plaza moving ahead**

—Tom Kuch
The city's plan to build a new housing unit at Village Plaza is moving ahead. The city council has approved the plan, and the city is now in the process of securing the necessary permits. The project is expected to be completed by the end of the year.

**Governor's plan aligns
with Liberal's needs**

Fully funded, all-day
kindergarten in five years?

—Tom Kuch
The governor's plan to fund all-day kindergarten is a major step forward for the Liberal government. The plan is fully funded and will be implemented over a five-year period. This aligns with the needs of the Liberal government and the expectations of the public.

**Justice delays
health law's
birth control
mandate**

—Tom Kuch
The Supreme Court has delayed the implementation of the birth control mandate under the Affordable Care Act. This decision is a significant victory for those who oppose the mandate. The court has ruled that the mandate is unconstitutional, and the government must provide a religious exemption for all employers.

**State attorneys general
ObamaCare changes are illegal**

—Tom Kuch
A coalition of 26 state attorneys general has filed a lawsuit with the Supreme Court, arguing that the Affordable Care Act is unconstitutional. The states argue that the law is an overreach of federal power and that the individual mandate is an unconstitutional tax. The Supreme Court will hear the case in the coming months.

ObamaCare brings new taxes, fees for 2014

—Tom Kuch
The Affordable Care Act will bring new taxes and fees for the year 2014. These include the medical device tax, the excise tax on high-end medical equipment, and the tax on tanning beds. The new taxes are expected to raise approximately \$10 billion for the federal government.

**For those who don't log
coverage, the IRS plans
to slap them with a fine**

—Tom Kuch
The IRS is planning to impose a new penalty on employers who do not provide health insurance to their employees. The penalty will be \$3,000 per full-time employee per year. This is intended to encourage employers to provide health insurance to their employees.
