Afterschool program participants top 500
By MICHAEL DUNN
Afterschool programs across the state have reached a milestone, with more than 500 participants enrolled in the program, according to a report released by the Kansas Department of Education. The report, released last week, shows that the number of participants in the program has increased significantly since the program was first implemented in 2008. The report also notes that the program has been successful in providing a safe and supportive environment for students, as well as providing them with a variety of enrichment activities. The report also notes that the program has been successful in providing a safe and supportive environment for students, as well as providing them with a variety of enrichment activities.
