Students to 'blast disasters' at LEGO expo Saturday
Air museum hosts free event
By Sarah Lippman
Students will be able to see a variety of LEGO sets, including a set that depicts the 9/11 attacks. The set, called "9/11: The Twin Towers," is a tribute to the victims of the September 11 attacks. It features two replicas of the Twin Towers, with the World Trade Center's spire on top of each. The set is made of LEGO bricks and is a popular item among LEGO collectors. The expo is a free event and is open to the public. It will be held at the Air Museum on Saturday, January 25, from 10 a.m. to 4 p.m. The museum is located at 10000 Airport Blvd., Dallas, Texas. For more information, visit www.airmuseum.org.

Optima, Okla., awarded REAP Grant to rehabilitate water well
By Sarah Lippman
The City of Optima, Oklahoma, has been awarded a REAP Grant to rehabilitate a water well. The grant is part of the Rural Economic Assistance Program (REAP) and is intended to help rural communities improve their infrastructure. The well is located on the city's main street and is a vital source of water for the community. The city plans to use the grant to repair the well and install a new pump. The project is expected to be completed by the end of the year. For more information, visit www.optimaok.com.

Massive pileup on I-94 kills 3, more than 20 hurt
By Sarah Lippman
A massive pileup on Interstate 94 in Dallas has resulted in three deaths and more than 20 injuries. The accident occurred on Friday, January 24, at the intersection of I-94 and Loop West. A semi-truck lost control and crashed into a line of cars, causing a chain reaction. The scene was chaotic and it took several hours to clear the road. The victims are being treated at local hospitals. The cause of the accident is still under investigation. For more information, visit www.dallasnews.com.
